

HENLLYS, ANGLESEY

For a summary of the aims of the Access Guide please [click here](#). Please remember to discuss your specific requirements with HPB booking staff before confirming any HPB holidays as we can only provide a general guide in these pages.

Site Description

Henllys is a site that is essentially on two levels; the main house, U block, the two K apartments and the Walled garden on the upper level and the properties HA, HB, HC, HD, HE, HF, HG and HH all situated below.

Pedestrian access between the levels is either via steps - in some cases there are approximately 50 steps - or via the drive. The walled garden (HW) is on the upper level but slightly lower than the Hall with a sloping pathway and steps between them. U block is on the same level as the main house but has five steps leading up to the front doors. The two apartments on the first floor of the Golf Club, are only accessible via a full flight of stairs.

Car Parking

All adapted properties have reserved car parking spaces as close to the property as possible.

Reception and Public Areas

Reception, the drawing room and billiards room are all on the ground floor of the main house and have easy wheelchair access. The Bistro and swimming pool access is either by a flight of stairs to a lower level or by leaving the building and using the drive to the lower entrance.

The games room and laundry are located below the swimming pool and access can be gained either internally via stairs through the leisure complex or for wheelchair access, externally via the entrance by the lower cottages. There is one step into the games room.

Swimming Pool

Wheelchair access is available via the leisure corridor to the complex although just before the changing rooms there is a small flight of steps; a Stannah platform chair lift is provided.

Pool depth is 1.3m. There is step access into the pool. There is a changing room exclusively for disabled swimmers with its own access.
