For a summary of the aims of the Access Guide please [click here](#). Please remember to discuss your specific requirements with HPB booking staff before confirming any HPB holidays as we can only provide a general guide in these pages.

Site Description

Upper Norton comprises 21 individual holiday units of great character, converted from a period farmhouse and a range of traditional outbuildings. The site is situated off a small lane between Onibury and Craven Arms and occupies a delightful position on a gentle east facing slope overlooking the Corve Valley. There are excellent views to the Clee Hills and, on a clear day, to the Malverns some 40 miles away. The site is reasonably level and access to all properties is via a network of tarmac pathways.

Car Parking

The site has generally good car parking provision with adequate spaces reasonably close to all properties. The two adapted properties (6 & 13) both have exclusive, generous spaces beside the property entrances.

Reception and Public Areas

The Clubhouse is situated close to the main site entrance and includes Reception, a comfortable Clubroom with tourist information, games and an internet kiosk, a full-sized Billiards Room and a Laundry for Bondholders. The cloakroom (off the Clubroom) is fully adapted for wheelchair users. There is level access into Reception, the Clubhouse and Laundry.
