Do you want to make a difference?

The RAF Benevolent Fund is the leading welfare charity for the RAF. Every year we make a real difference to over 40,000 people who benefit from our services. Working at the Fund is more than sitting at your desk and in this role you will have the opportunity to be part of our RAF Family. Alongside helping our beneficiaries, we also get to hang out with Spitfires and Typhoons, take part in a Dambusters bike ride, attend events like Royal Ascot, the Chelsea Flower Show, and the Bomber Command Memorial Service. Every day you will make a difference and play your part in changing the lives of others and helping people in the RAF Family get through the toughest of times.

It doesn't matter how long someone served or when. If they were part of the RAF, they and their family are part of our RAF Family. We will always be here to support them when they need it most.

Join the RAF Family and play your part in making a difference.

Do you want to play a part in what we do?

People are at the heart of what we do. Together we:

- Help reduce social isolation and loneliness among veterans.
- We support ill or injured men and women to have a safe place to call home, a home that meets their specific needs.
- We fund youth services on stations to provide clubs and activities for the children of serving personnel who move every few years.
- We provide grants to help with the cost of living. But this is just a few of the ways we help.

This role presents a great opportunity for a candidate with strong administrative, communication and team-working skills to join the Strategic Partnerships team at the RAF's leading welfare charity. The Strategic Partnerships team manages the Fund's relationships with corporate partners who play a vital role in making the Fund's work possible. The team also develops and markets new fundraising offerings as well as identifying, researching and engaging with new corporate partners who will help the Fund stand side-by-side with the RAF Family in years to come.

This is an ideal role for a candidate already working in the charity sector and wishing to develop their skills in an active partnerships team, or for a candidate interested in transferring their skills into the charity sector. This role is an important one in supporting activity across the team, and particularly the work of the Strategic Partnerships Managers, with a focus on administrative support as well as liaising with internal and external stakeholders. In this role you will enable the team to build relationships and meet ambitious fundraising targets, allowing the charity to change the lives of beneficiaries facing hardship now and in the future.

The role will be office based at our London HQ, with a minimum of three days working in the office per week. The successful candidate for this role will need to prove they have the right to work in the UK.
