Do you want to make a difference?

The RAF Benevolent Fund is the leading welfare charity for the RAF. Every year we make a real difference to over 40,000 people who benefit from our services. Working at the Fund is more than sitting at your desk as in this role you will have the opportunity to be part of our RAF Family. Alongside helping our beneficiaries, we also get to hang out with Spitfires and Typhoons, take part in a Dambusters bike ride, attend events like Royal Ascot, the Chelsea Flower Show, and the Bomber Command Memorial Service. Every day you will make a difference and play your part in changing the lives of others and helping people in the RAF Family get through the toughest of times.

It doesn't matter how long someone served or when. If they were part of the RAF, they and their family are part of our RAF Family. We will always be here to support them when they need it most.

Join the RAF Family and play your part in making a difference.

Do you want to play a part in what we do?

People are at the heart of what we do. Together we:

- Help reduce social isolation and loneliness among veterans.
- We support ill or injured men and women to have a safe place to call home, a home that meets their specific needs.
- We fund youth services on stations to provide clubs and activities for the children of serving personnel who move every few years.
- We provide grants to help with the cost of living. But this is just a few of the ways we help.

We are seeking an individual to join the RAF Benevolent Fund's Strategy & Impact team as a Research & Evaluation Manager. The role requires the individual to manage and implement research and evaluation projects, helping to ensure that the Fund's activities are informed by evidence and research, and that the Fund is capturing and maximising its impact.

The role will be office based at our London HQ, with a minimum of three days working in the office per week. The successful candidate for this role will need to be Standard DBS checked and prove they have the right to work in the UK.
