Make a Difference Every Day

For more than 100 years, the RAF Benevolent Fund has been supporting the RAF Family. We are a key partner in the Royal Air Force's mission to look after its people during and after service, ensuring that this service is valued, recognised, and people are supported even when uniforms are eventually shed. We are a national charity with international reach, delivering emotional, financial and practical support wherever and whenever it is needed. Each year, our vital services and support continued to help those serving, families, veterans, and the bereaved, in 30 other countries and in 2024 more than 64,000 people benefitted from the charity's work.

As an organisation, we encourage learning and development and there will be ample opportunity to learn more about the Royal Air Force, the broad impact of the Fund's work as well as developing your own skillset.

Do you want to play a part in what we do?

People are at the heart of everything we do. Together, we:

- **Provide personalised support** to members of the RAF Family – listening carefully, offering guidance, and tailoring our services to individual circumstances so no one is left behind.
- **Improve quality of life** for serving and former RAF personnel and their families through life-changing financial assistance, housing support, and help with essential living costs.
- **Increase independence** by enabling members of the RAF Family to live life on their own terms, whether through mobility equipment or housing adaptations.
- **Enhance wellbeing** for those who serve and have served, and their families, through mental health and emotional support, youth programmes, and restorative respite and holiday breaks.
